LA Pools, Inc. – In Ground - Fall Pool Closing - General Conditions:

- 🌴 LA Pools will not forward Winterization Agreement to Service department for scheduling until **full payment** is received with **signed agreement**.
- 🌴 LA Pools will contact customer a day or two prior to confirm **scheduled closing date** as close to “desired date” as possible. If customer does not confirm that they are ready the crew will not be dispatched.
- 🌴 Customer is responsible for **testing and balancing** pool and/or spa water and removal of all debris prior to arrival of our personnel for the pool and/or spa Winterization.
- 🌴 Prior to arrival of our crew the **water level** shall be lowered to be 4” below the bottom of the skimmer opening/tile with the exception of Vinyl Liner Pools equipped with an Aquador Winter Closure System. Once the water level is lowered ensure that the timer or controller will not turn the pool pump(s) back on.
- 🌴 LA Pools personnel will need **water (hose bib w/ garden hose) and electric (outlet)** to perform the Winterization procedures.
- 🌴 Customer shall whenever possible have **Winter Cover, Winter Plugs, Gismos, Antifreeze etc.** pool side. If crew cannot quickly locate items necessary for winterization customer will be invoiced for replacement items required.
- 🌴 LA Pools strongly encourages customers who would like to provide any special instruction to crews to make such notes on the Winterization Form so there are as few distractions as possible while the crew is performing the Winterization.
- 🌴 Pools with **Solid Covers** shall have accessible a **Cover Pump, Garden Hose and Extension Cord** (if required) if you would like LA Pools to setup at the time of the Pool/Spa Winterization. Pools with **Mesh Covers** shall have accessible a **Submersible pump, garden hose and extension cord** (if required) if you would like LA Pools to setup at the time of the Pool/Spa Winterization.
- 🌴 LA Pools will install one full gallon of **Anti-Freeze** in each skimmer to act as an expansion device and 1/2 gallon of anti-freeze in the piping of each skimmer that is plumbed outside of the pool. Customer will be invoiced for anti-freeze per the above. The full antifreeze gallons can be used annually.
- 🌴 Customer understands that in certain instances repairs may need to be completed to allow for proper Winterization and customer will be invoiced for said repairs; otherwise if customer has not authorized additional repairs at time of closing repairs will not be made.
- 🌴 LA Pools **labor** to perform Customer’s responsibilities shall be invoiced at **\$90.00** per man per hour.
