## 2024 Fall Pool Closing Agreement

### Plan A – Fall Winterization with Solid/Mesh Safety Cover \$550.00

- Includes Blow out: 1 Filter Pump, 1 Filter, 1 Heater, Pool Drains, Pool Skimmers, Pool Wall Returns, Pool Floor Returns, Pool Cleaner Line, Spa Drains, Spa Jets & Spa Air Line. Disassemble and hose off DE & Cartridge filter grids/cartridges. Installation of customer's winter cover. Chemical included: Natural Chemistry Hassle Free Kit.
- Customer is responsible for testing and balancing pool and/or spa water and removal of all debris prior to arrival of our personnel for the pool and/or spa Winterization.
- Prior to arrival of our crew the water level shall be lowered to be 4" below the bottom of the skimmer opening/tile except for Vinyl Liner Pools equipped with an Aquador Winter Closure System. Once the water level is lowered ensure that the timer or controller will not turn the pool pump(s) back on.
- Prior to arrival of our crew the **Safety Fence** must be removed entirely from the pool when we are **installing** customers pool cover.
- LA Pools personnel will need water (hose bib w/ garden hose) and electric (outlet) to perform the Winterization procedures.
- Customer shall whenever possible, have Winter Cover, Winter Plugs, Gismos, Antifreeze etc. pool side. If crew cannot quickly locate items necessary for winterization customer will be invoiced for replacement items required. Customer will be invoiced for a return trip, if required.
- Customers w/ solid covers shall have accessible a Cover Pump, Garden Hose and Extension Cord if you would like LA Pools to setup at the time of the Pool/Spa Winterization. Customers with Mesh Covers shall have accessible a Submersible pump, garden hose and extension cord if you would like LA Pools to setup at the time of the Pool/Spa Winterization.
- LA Pools will install one full gallon of Anti-Freeze in each skimmer to act as an expansion device and 1/2 gallon of anti-freeze in the piping of each skimmer that is plumbed outside of the pool. Customer will be invoiced for anti-freeze per the above. The full antifreeze gallons can be used annually.
- If pool cover was not removed by LA Pools and/or folded accordion style select Plan B.

### Plan B - Fall Winterization Without Cover \$450.00

Same as Plan A except owner responsible for cover placement.

**\*\*Cover cannot be on the pool when crew arrives**

### General Conditions

- Please return this signed agreement with full payment. Attach completed credit card authorization form if check is not enclosed. LA Pools will not forward Winterization Agreement to Service department for scheduling until **full non-refundable payment** is received with signed agreement.
- LA Pools will contact customer prior to **scheduled winterization date** as close to "desired date" as possible to confirm customer's readiness. If customer does not confirm that they are ready the crew will not be dispatched.
- LA Pools strongly encourages customers who would like to provide any special instruction to crews to make such notes on the Winterization Form so there are as few distractions as possible while the crew is performing the Winterization.
- Customer understands that in certain instances repairs may be necessary to allow for pool/spa winterization and customer will be invoiced for said repairs. **If customer has not authorized additional repairs on the Winterization Agreement repairs will not be made** and return trip(s) required to complete winterization shall be invoiced as required, and winterization may not be complete.
- LA Pools **labor** to perform Customer's responsibilities or necessary repairs shall be invoiced at **\$110.00** per man per hour.
- Solid pool covers: chlorine level shall be zero to avoid premature damage to pool cover.

*For newly plastered pools, test and balance throughout the winter months to avoid scale formation. Call to schedule your **Winter Watch**.*
